2023-24 PROFESSIONAL DEVELOPMENT AND TRAVEL SUBSIDY FUND GUIDELINES

The Saskatchewan Council for Archives and Archivists (SCAA) operates a Professional Development and Travel Subsidy Fund. This fund is intended to help defray a portion of costs incurred by members through their participation in professional development opportunities. Any individual SCAA member in good standing or a **single designated representative** of any institutional SCAA member in good standing is eligible to receive funding. Applications for funding must be made to the SCAA Head Office, Attention Executive Director on the accompanying form and must meet the terms, conditions and program criteria established the Saskatchewan Council for Archives and Archivists. Please note that fees for online training or webinars are also eligible as long as they are not for credit in a university or College Course.

Funding applications must include the Professional Development and Travel Claim Subsidy Form; a copy of the course/workshop description. For topics that are not directly related to archives or that do not make direct mention of archives in the course description, a brief (max. one page) statement from the applicant indicating how this training will benefit their archives, archival practices, and/or archival knowledge must also be included.

Funding recipients must submit a letter of acknowledgement to SaskCulture, with copies to the Provincial Minister of Parks Culture and Sport, their member of the Saskatchewan Legislative Assembly, and the SCAA. Sample letters with current names and contact information will be made available by the SCAA. Alongside their letter to the SCAA, recipients are asked to submit a final expense report within 30 days of the PD opportunity with all mandatory receipts and a brief (1-2 paragraph) description of their attendance at the workshop/conference/webinar which may include: a summary of what they learned, the benefit of attending to them or their organization, etc. for possible inclusion in the SCAA Blog *Outside the Box*. Photographs are also encouraged with this submission.

ELIGIBLE EXPENSES

- Attendance at workshops, seminars, conferences, and post-appointment training opportunities in archival topics, both in Saskatchewan and outside the province, are eligible for funding. Other projects in professional development and training in fields of archives will be considered for funding by the Executive Director of the SCAA and must be accompanied by a statement from the applicant explaining their relevance to archives.
- Applicants may be reimbursed for travel costs, accommodation, and meals for attendance at eligible training opportunities. Registration fees for eligible workshops may also be reimbursed, **except for registration fees for SCAA-sponsored workshops.**
- Airfare to eligible workshops, conferences, etc. may be paid in full. Fares for bus or train transportation may also be paid in full. Members are reimbursed all or part of their actual costs or **\$0.5482** per kilometer and **\$0.5903** when north of the 54th parallel when they use their own cars. Members are urged to choose the most economical form of transportation that is practical.
